Our *Story*

Kahani is a boutique PR and marketing agency built for the UAE's dynamic hospitality scene. Born out of a collective of creative minds, from designers and photographers to writers and PR specialists, we exist with one mission: to craft stories that make people crave your brand.

We don't believe in cookie-cutter campaigns or copy-paste strategies. Instead, we create emotion-driven, scroll-stopping, and soul-satisfying storytelling that resonates with today's audience.

Content Creation & *Social Media* Management

Your restaurant deserves more than just a good photo; it deserves to be felt. At Kahani, we craft thumb-stopping visuals, scroll-worthy reels, and story-led content that connects with your audience. From monthly shoots to everyday engagement, we handle it all: captions, calendars, scheduling, and performance insights. Our content doesn't just look good, it tells your story, one delicious frame at a time.

Website & *Analytics*

Your digital presence is more than a website; it's your brand's home. From sleek, mobile-optimized restaurant websites to smart integrations like menu uploads, reservation systems, and SEO, we create digital spaces that are both functional and visually appealing. With powerful analytics dashboards, Kahani helps you understand your audience, track campaign performance, and make informed decisions at every step.

कहानी

11woodfire.com

Website Design & Development *for 11 Woodfire*

We built a sleek, responsive website for Dubai's Michelin-starred steakhouse, using elements of fire, warmth, and dark tones to reflect its open-flame concept while ensuring seamless navigation and reservations.

Kahani

कहानी

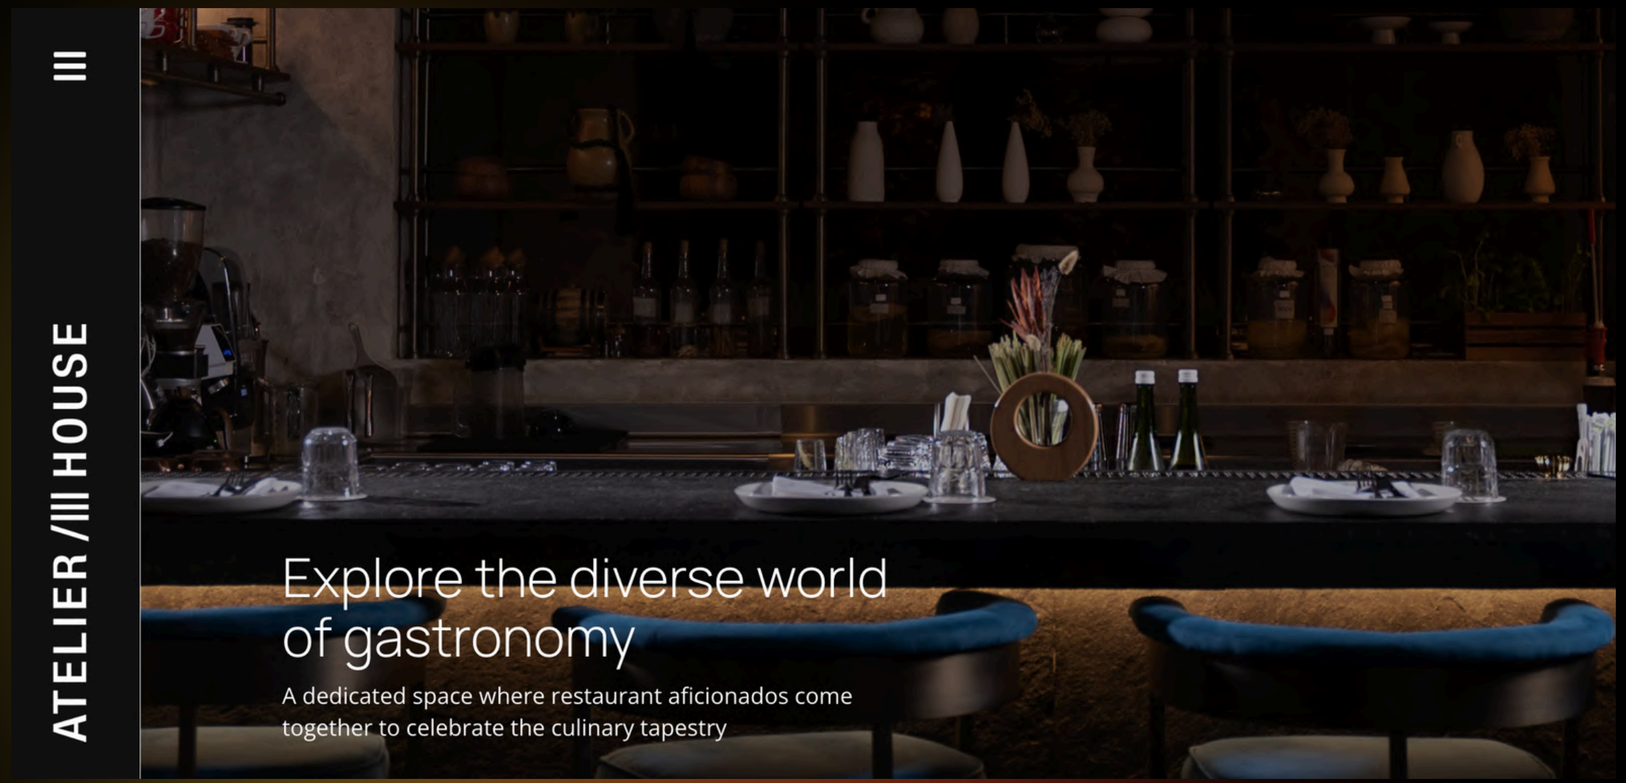

tresindstudio.com

Website Design & Development *for Tresind Studio*

We built a refined, immersive website for Tresind Studio, mirroring its Michelin-starred tasting-menu experience through rich, elegant visuals and a calm, intuitive layout. Subtle depth, restrained tones, and thoughtful interactions reflect the restaurant’s storytelling approach

Kahani

कहानी

atelierhousehospitality.co mohallarestaurant.com

Website Design & Development *for* *Atelier House Group*

Website Design & Development for Atelier House Group. We designed and developed a refined digital platform for Atelier House Group, the hospitality powerhouse behind acclaimed restaurants like Inja, 11 Woodfire, and Mohalla, blending brand storytelling with seamless functionality.

Kahani

कहानी

carnivalbytresind.com tresind.com tresindstudio.com

Website Design & Development *for Tresind Group*

We crafted a bespoke digital presence for Tresind Group, uniting its world-renowned brands — Tresind Studio (3 Michelin Stars), Tresind flagship restaurant, and Carnival by Tresind. Each with its own unique tone, identity, and storytelling, while maintaining a cohesive group aesthetic.

Kahani

कहानी

avatara.ae

Website Design & Development for Avatara

We designed and developed the digital identity for Avatara, the world's first Michelin Star vegetarian fine-dining restaurant in Dubai, blending soulful, plant-based storytelling with pastel color palettes and minimalist branding to reflect its modern, mindful cuisine.
